

JOIN REP. EDDIE L. JACKSON IN OPPOSING HIGHER ELECTRIC RATES!

We, the undersigned, join State Representative Eddie L. Jackson, Sr. in urging the Illinois Commerce Commission to reject Ameren's request for a \$226 million rate increase. This company recently received a rate increase that is still being appealed and now they want even more. With our economy faltering, increases of this magnitude are not prudent and would be detrimental to consumers already struggling to pay their utility bills. These rate hikes should be denied.
